## Real Estate Wealth Secrets! Sandy Ferrera's Newly Released Book Is A Magnum Opus of Property Investment Strategies!

Little Rock, Arkansas, September 11, 2019 – Highly seasoned real estate investor Sandy Ferrera has now released her new book, *Obtaining Long-Term Wealth in Real Estate*. Providing tangible advice that even beginners can use to accumulate wealth in the world of real estate, the author wants readers to know the importance of creating asset-backed income sources that are not only reliable but also sustainable. The book delves deep into many aspects of the real estate and property investment industry and provides valuable insight about each thing to consider before investing.

Sandy Ferrera now owns and manages a highly diverse portfolio of properties across the United States. However, she began her journey with very little. Having seen the financial struggles of her family, Sandy prioritized financial stability from a young age and started to scavenge for valuable opportunities. Soon enough, she was introduced to the world of real estate investment and that is where she began changing the course of her life and began to accumulate wealth steadily. Now, she wants to share her advice, tips and techniques with a large demographic of readers. Carefully evaluating the multi-faceted world of real estate investment, she equips her readers with the right tools to start their own real estate journey and reap the benefits of this highly profitable industry.

*Obtaining Long-Term Wealth in Real Estate* is a highly comprehensive guidebook, providing advice that anyone can adapt to their own unique scenario. Real estate investment is not just for the millionaires and this book provides a systematic approach for everyone to play clever, earn big and create a stronger ROI day-by-day. By highlighting a bevy of key principles, Sandy puts her readers in the correct mindset for real estate investment. She also highlights the best kind of properties and provides an in-depth look at how buyers can avoid industry pitfalls and protect themselves while purchasing property.

Sandy Ferrera is a highly accredited real estate investor with more than 30 years of industry experience. Having started with nothing but ambition, Sandy has been able to create a real estate empire that boasts a strong property portfolio. Having franchised her business, her company All County Property Management now owns offices and manages properties across the United States.

Sandy Ferrera is available for interviews.
